° Factory Pre-wired For 120v Operation

One Step Mobile Pedal

About DELTA

With more than 90 years of Delta design knowledge and innovation, Delta has introduced to the market a new table saw. This table saw, backed by the heritage of a company known for its long lived dependability is an example of Delta's commitment to the woodworker and their precision projects. This and the commitment of the state of the art manufacturing and testing labs means Delta is here to continue their long-standing position in woodworking and power tool design.

UNISAWS

- One Piece Cast Iron Trunnion System - Vibration Control & Accuracy
- Push Button Arbor Lock - Easy Blade Changes
- **BIESEMEYER**® Fence System

36-L336

- Motor: 3 HP, 230V, 1 Phase, 60 Hz
