Three Easy Steps to One Lifetime Warranty

What you need to know to receive CUSTOM’s Lifetime System Warranty on your tile job.

1 PREP  2 SET  3 GROUT
Select a qualifying system of eligible Prep, Set, and Grout products and CUSTOM will warrant the entire tile installation for life.

Includes materials, tile and labor to repair.

Qualify for a lifetime system warranty in three easy steps.

1. Choose qualifying Prep products based on your subfloor, wall, or countertop type.
2. Choose a qualifying mortar based on your tile type.

CUSTOM’S ‘WHOLE JOB’ LIFETIME WARRANTY

No matter if you are a homeowner doing your own tile project, or you are a pro installing tile on a jobsite, eliminate worries by selecting a complete tile installation system covered by CUSTOM®.

The Lifetime Warranty delivers peace of mind by ensuring the system will be free from manufacturing defects, and will not break down or deteriorate under normal use. If a defect occurs when a complete system of qualifying preparation, setting, and grout products are used, CUSTOM will cover the cost of materials (including tile) and labor to repair. This includes cracks in tile or grout as well as tile bond issues. Select the right combination of products and you’re covered.

The Prep, Set and Grout products highlighted in this brochure are part of CUSTOM’s Lifetime System Warranty. Additional Lifetime Warranty products may also be available.

*See complete warranty details including terms, conditions, limitations and requirements on the last page of this brochure.

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS – YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE.

Terms and Conditions
Subject to the conditions and limitations stated in this document, CUSTOM Buildings Products (CUSTOM) warrants to the original owner that the CUSTOM installation system will be free from manufacturing defects and will not break down or deteriorate under normal usage for the life of the installation when installed in accordance with CUSTOM most recently published instructions, specifications and industry standards and guidelines for said installation. This warranty automatically becomes effective upon validated substantial completion of the project. This warranty is not transferable.

Exclusive Remedy
In installations correctly utilizing CUSTOM products listed on this document, CUSTOM will repair and/or replace, at its discretion, the affected area of the system. Excon costs, including labor and travel, associated with investigation determining validity of the claim. Proof of purchase may be required. For any claim that is not valid, CUSTOM reserves the right to physically inspect any project with a claim pending prior to determining validity of the claim. Proof of purchase cost may be required.

Limitations
CUSTOM is not responsible for structural failure or workmanship that is not in accordance with standard industry practices and procedures and CUSTOM published instructions. CUSTOM will not be liable for any loss or damage arising from the CUSTOM installation system or any CUSTOM product incorporated therein, whether direct, indirect, special, incidental, consequential, regardless of the legal theory asserted, including warranty, contract, negligence or strict product liability. Some states do not allow the exclusion of consequential damages, so these limitations or exclusions may not apply to you. Cracking due to structural movement, excessive deflection or other failure of the substrate and damage to structural or subfloor elements from water are also not covered. Acts of God including but not limited to flooding, hurricane, tornado, earthquake and fire shall not be covered under this warranty. CUSTOM will not be responsible for system failure resulting from the use of competitive or non-specified products. CUSTOM shall not be responsible for lippage between tiles; cracks in tiles; loss of bond to substrate, tile or membrane due to excessive tile deformation such as warpage or cutting for any reason, or resulting from a lack of properly-placed perimeter and/or movement joints. All tile installed over post-tensioned or suspended slabs must be physically strong to accommodate movement without cracking or spalling, such as true porcelain tile. The potential for efflorescence and shading is inherent in all cementitious products and is not considered a manufacturing defect. CUSTOM expressly disclaims any other warranties, including warranties of merchantability and fitness for a particular purpose other than the warranty expressly stated herein. Although CUSTOM may have suggested the use of a product or material, the owner assumes all responsibility for the manner in which the material is used. CUSTOM expressly disclaims any other warranties and conditions, including statutory warranties and conditions and warranties and conditions of merchantability and fitness for a particular purpose other than the warranty expressly stated herein. CUSTOM is not responsible for structural failure or workmanship that is not in accordance with standard industry practices and procedures and CUSTOM published instructions.

Warranty Requirements
CUSTOM installation requirements can be obtained by calling Technical Services at 800-282-8786 or through www.custombuildingproducts.com. A complete CUSTOM system of products, including surface preparation, mortars and grout materials, must be used to qualify for this limited warranty. All installations over 5,000 square feet must receive pre-approval by calling CUSTOM. We offer pre-job inspections, call 800-282-8786. Multiple residence installations are considered as one installation.

Claims Procedures
If you wish to make a claim under this limited warranty, you must notify CUSTOM immediately in writing of any alleged defect of the installation. Write to: Technical Services, Custom Building Products, 10400 Pioneer Blvd., Santa Fe Springs, CA 90670. The claim must be submitted and evaluated by CUSTOM before any repair work is done. CUSTOM reserves the right to physically inspect any project with a claim pending prior to determining validity of the claim. Proof of purchase may be required. For any claim that is not valid, CUSTOM will be paid reasonable charges, including travel and labor, associated with investigation of such claim.

Product specifications may change without notice. For the most up to date product and technical information, go online to HomeDepot.com or CustomBuildingProducts.com.
