

wedi Shower Kit – Riolito®

Full Shower System in a Box

All products needed to build a wedi line drain shower are included and provide a single manufacturer warranty. Safe transportation in one box, easy estimating of product quantities needed. The unique wedi Fundo Riolito neo bases allow water to drain away through a narrow gap between their drains cover plate and the tile surface finish. wedi Fundo Riolito neo is always equipped with the drain unit but covers are ordered separately. Options for covers include a polished stainless steel version, a double plated brushed stainless steel version, and a tileable version.

Available in 4-way and 2-way or single slope designs with close to the wall drains, wedi Riolito neo features the industries only factory sealed drain for use in custom shower configurations. What is more, the Fundo Riolito neo is available in one-piece shower base panels or as a modular system offering a separate drain module and an extension module to combine and configure custom layouts even easier.
