Tough Equipment & Tools, Pay Less

VEVOR is a leading brand that specializes in equipment and tools. Along with thousands of motivated employees, VEVOR is dedicated to providing our customers with tough equipment & tools at incredibly low prices. Today, VEVOR has occupied markets of more than 200 countries with 10 million plus global members.

Why Choose VEVOR?

- Premium Tough Quality
- Incredibly Low Prices
- Fast & Secure Delivery
- 30-Day Free Returns
- 24/7 Attentive Service

HEAVY-DUTY PVC FIBER

High-Tensile PVC Fiber

The heavy duty backwash drain hose adopts 0.06 in/1.5 mm thick extra strength PVC material that provides durability, yet is flexible for ease of use.

HOSE DIMENSIONS DETAILS

Hose Dimensions Details

The discharge hose is suitable for no more than 1-1/2 in pipes, hose inside diameter: 1-1/2 in/38 mm, flat width: 2.5 in/63 mm, length: 105 ft/32m.

WEATHER-PROOF FUNCTION

All-Weather Hose

The lay-flat hose is tough enough to hold up to extreme weather conditions, no matter of scorching summer sunshine or freezing snow, temperature range: 5°F to 149°F (-15°C to 65°C).

BURST-PROOF FEATURE

Burst-Proof Feature

The backwash hose features high working pressure: 60 psi, compatible with many kinds of pumps, such as submersible pumps, pool pumps, sump pumps, etc.

EASY SETUP

Easy Setup

The swimming pool backwash hose comes with 2 stainless steel clamps for easy installation. It can be connected to 2 in pipes seamlessly without water leakage.

VERSATILE USES

Versatile Uses

The pool discharge hose can be used for swimming pool, spa and other general open-end water discharge applications, such as greenhouses, nurseries, agricultural, farm irrigation, construction use, oil and gas exploration and extraction, and mining discharge.
