BEAUTIFUL, TIMELESS COUNTERTOPS

CAMBRIA AMERICAN-MADE QUARTZ SURFACES

DISCOVER THE CAMBRIA DIFFERENCE

At Cambria, we didn't become the creators of world-class quartz surfaces by chance. It's something our family-owned company has perfected over the last 20+ years.

Inspired by our rich heritage, and created with industry-leading innovation, we're proud to offer unmatched American-made surfaces that impress as well as perform. Because while it may start within our walls, we're focused on making you proud of what resides within yours.

FALCONWOOD™

THE RIGHT SURFACE FOR THE RIGHT REASONS

MADE IN AMERICA

Every Cambria surface is made in America at our family-owned facility where quality is controlled from start to finish.

PUREST QUARTZ

Because we start with the finest natural mineral—pure white quartz—we're able to create our signature surfaces to be rich in character, deep in beauty, and unmatched in quality.

DESIGNED TO INSPIRE

Cambria quartz surfaces are designed to intrigue and impress. With chip-, acid-, and scratch-resistant durability, you'll retain peace of mind and great-looking surfaces for years to come.

LOW MAINTENANCE

Cambria never needs sealing, reconditioning, or polishing. Ever.

SUSTAINABLY PRODUCED

Following thoughtful, sustainable mining and manufacturing practices, Cambria creates dramatic, high-quality quartz surfaces that elevate your home while respecting the earth.

FULL LIFETIME WARRANTY

Cambria is backed by a transferable Full Lifetime Warranty. Transferable means the coverage is passed on to anyone who purchases your home. A warranty this strong can add to the value of your home.

A CURATED PALETTE

We have curated a palette of innovative designs that can be found at The Home Depot. This versatile offering allows you to bring the beauty of Cambria into your next home renovation project.

DETAIL VIEW

SEACOURT™

As light as dawn mist, Seacourt is subtle swirls of cool grays and warm honey that rest softly on a gentle white background.

SLAB VIEW

DETAIL VIEW

DOVESTONE™

Like its name, Dovestone features soft, dove gray and khaki veins that call to mind pen and ink etchings on a creamy parchment background.

SLAB VIEW

DETAIL VIEW

TRAVELLA™

Travella features delicate navy blue veins on a creamy, marbled background that look like a myriad of rivers and streams meandering across a pristine landscape as seen from high in the sky.

SLAB VIEW

DETAIL VIEW

WHITENDALE™

Whitendale offers dark gray veins that flow and collide to create geometric outlines spreading across a dappled cream background like stones on a rocky shoreline.

SLAB VIEW

DETAIL VIEW

RIDGEGATE™

An elegant study in complementary contrasts, Ridgeway features intricate medium gray and rusty veins on a serene, marble-like background.

SLAB VIEW

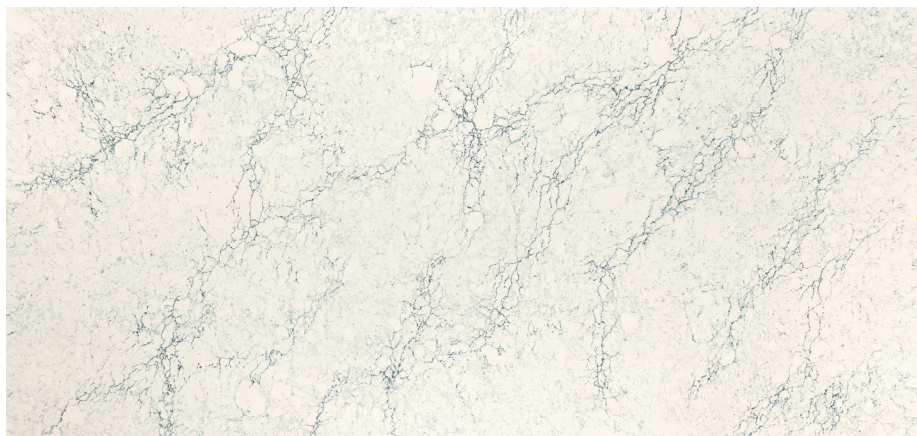

DETAIL VIEW

MACKWORTH™

Subtle and plentiful crackling teal veins traverse a warm white background.

SLAB VIEW

DETAIL VIEW

FALCONWOOD™

Soft hazel and gray veins add pleasing structure to a warm white background.

SLAB VIEW

DETAIL VIEW

HAYDON™

This dynamic design is set in a creamy warm marble background and highlighted with swirls and dashes of gold and hazelnut.

SLAB VIEW

DETAIL VIEW

LAKEDALE™

Soft colors—warm and cool gray and tan—undulate in a bright, white marbled background.

SLAB VIEW

DETAIL VIEW

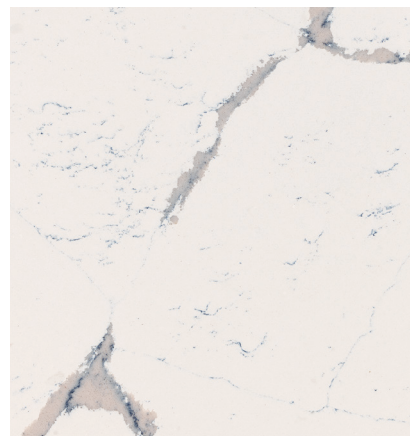

SUMMERBROOK™

Summerbrook is a harmonious study of navy streams sketched across a white landscape with translucent taupe islands to anchor this nautical composition.

SLAB VIEW

DETAIL VIEW

NADENBROOK™

A stately white background is streaked with abstract channels of sandy khaki accented with taupes and grays in Nadenbrook. Black veins and scattered neutral dots contribute additional interest to complete the captivating effect.

SLAB VIEW

DETAIL VIEW

WARWICK™

Engaging yet relaxed, Warwick is a soothing collection of warm and cool grays on a white base punctuated by distinctive black dots that add complexity and character to this amiable design.

SLAB VIEW

DETAIL VIEW

CHATSWORTH™

Swirls of ivories and creams, along with understated gray veins and touches of gold and silver, coalesce in Chatsworth to create a contemporary fusion of shapes and colors.

SLAB VIEW

DETAIL VIEW

TRAFALGAR™

Trafalgar is verdant and refreshing with streams of cool seafoam green that wind and settle among abstract shapes of taupe and cream on a speckled white canvas.

SLAB VIEW

DETAIL VIEW

AXBRIDGE™

In this rich, dynamic pattern, chocolate brown swirls enliven a warm cream dreamscape.

SLAB VIEW

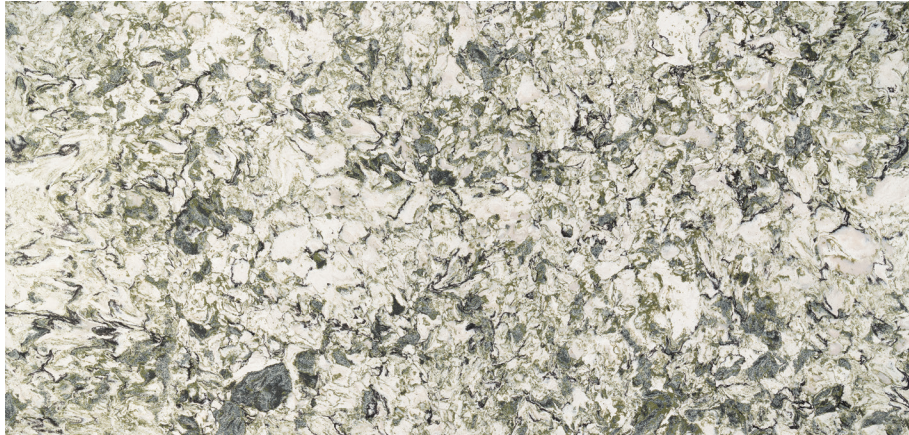

DETAIL VIEW

SHERWOOD™

Like the royal forest of its name, Sherwood is a swirl of dark green canopies with gray shadows, black dots, and airy, light tan clearings.

SLAB VIEW

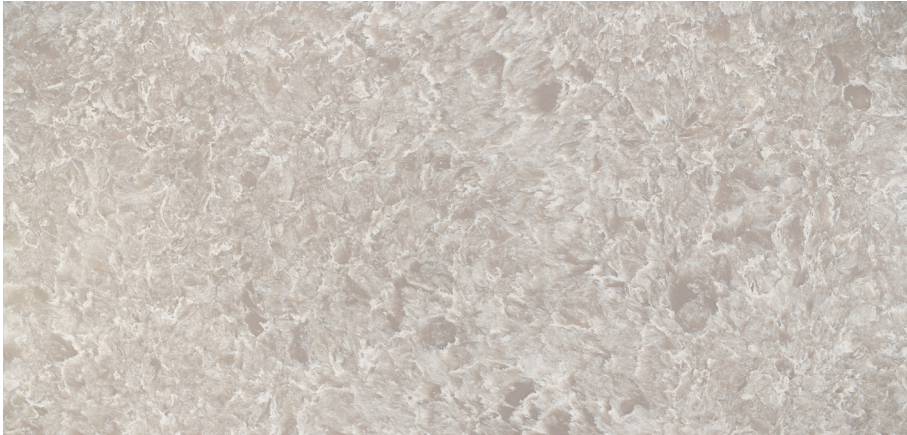

DETAIL VIEW

BELLWATER™

Bellwater offers temperate complexions of café au lait, cream, tan, and a touch of cool gray that mix and overlap like still water lying beneath warm waving grasses.

SLAB VIEW

DETAIL VIEW

HAWKRIDGE™

The warm tan foundation of Hawkrider hosts a union of rich contrasts as daubs of rust, cream, and touches of translucent gray merge together, accented with tiny neutral-colored specks.

SLAB VIEW

DETAIL VIEW

COPELAND™

With an ivory white soft tan background, this design draws the eye to its organic movement and charcoal diagonal veins.

SLAB VIEW

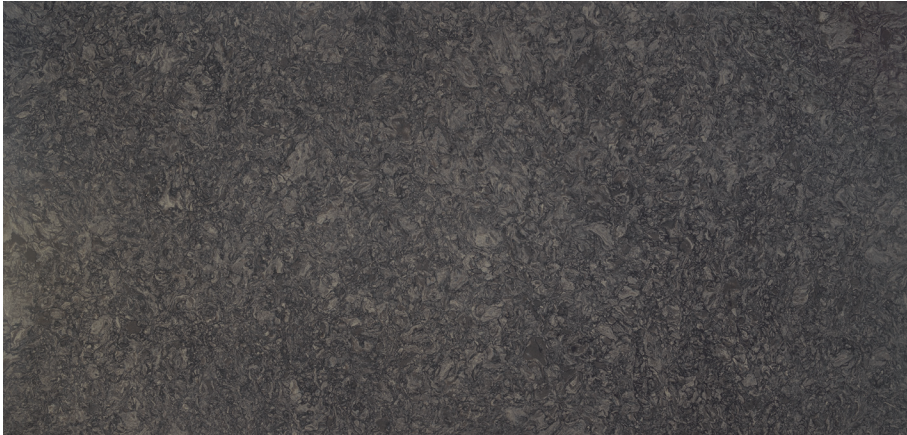

DETAIL VIEW

ASHBOURNE MATTE™

Ashbourne Matte presents rich monotone shades from light gray to charcoal and black that swirl and mingle in this intriguing design. This design is available exclusively in the distinctively silky-smooth, low-sheen Cambria Matte® finish.

STUNNING BEAUTY FROM EDGE TO EDGE

To beautifully complement our elegant quartz surfaces, we offer a variety of distinctive edge profiles that provide the perfect finishing touch.

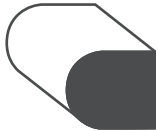

EASED

A simple but elegant style, this edge is angled, not rounded, at the top.

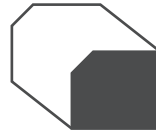

OGEE

Refined curves mark the profile of this beautiful edge.

BULLNOSE

Rounded from top to bottom, this profile takes the edge off sharp angles.

BEVEL

This classic edge adds a touch of angled geometry to the countertop.

HALF BULLNOSE

This graceful edge is softly rounded on the top to offer a gentle contour.

DOUBLE RADIUS

Bold and straightforward, this edge is slightly rounded at the top and bottom.
