

Care, Cleaning and Adjustment Guide

Care and Use Manual

EVERYDAY CARE

- Use a soft, clean cloth for dusting
- Wipe clean with a damp cloth and mild detergent. For tougher areas, use of a non-bleach, non-abrasive cleaner like Simple Green® is recommended.
- Wipe pulls and hinges with a damp cloth and mild detergent. Immediately wipe dry with a lint free cotton cloth.
- When changing location, always unload units prior to moving them

Door Position Adjustment Manual

HEIGHT

Loosen two screws and adjust door to desired position. Re-tighten all screws

SIDE TO SIDE

Using a Phillips screwdriver, rotate front screw to move the door to the desired position

DEPTH

Using a Phillips screwdriver, rotate back screw to move the door to the desired position

Drawer Removal Manual

STEP 1

Partially open drawer and remove contents

STEP 2

Locate slide tab on left side of drawer box and push up to release

STEP 3

Locate slide tab on the right side of drawer box and push down to release

STEP 4

To re-install, align drawer slides and gently push drawer closed. Locking tabs do not need to be pressed

STEP 5

Open and close drawer several times to ensure proper alignment
