Live Your Best Life—Outdoors

Great product!

We celebrated our 1 year anniversary of our deck installation. The deck has been wonderful, easy to care for, looks exactly as it did one year ago.

Great Look and Durability

I replaced my 20 year old redwood deck with AZEK and it looks fantastic. I look forward to many years of beauty without the refinishing required for a natural wood product.

THE MATERIAL DIFFERENCE

Decking For Any Lifestyle

With three unique decking lines to choose from, we have the right option to suit your outdoor living needs. Explore the differences.

CAPPED POLYMER DECKING

Unrivaed Design
& Elegance

FOR THE LUXURY TRENDSETTER

The best of the best. Defined by sophisticated, real-wood aesthetics that stay cooler on hot days. Ideal for everyday decks, pool surrounds, waterfront retreats, & rooftop escapes.

4-SIDED CAPPED COMPOSITE DECKING

Elevated Style
& Character

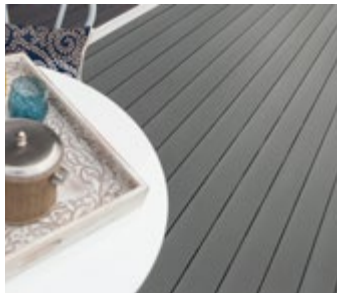

FOR THE DESIGN VISIONARY

High-end composite decking that surpasses leading competitors' top tier. Strong, reliable, and engineered to endure. Ideal for every-day decks.

3-SIDED CAPPED COMPOSITE DECKING

Attainable
& Attractive

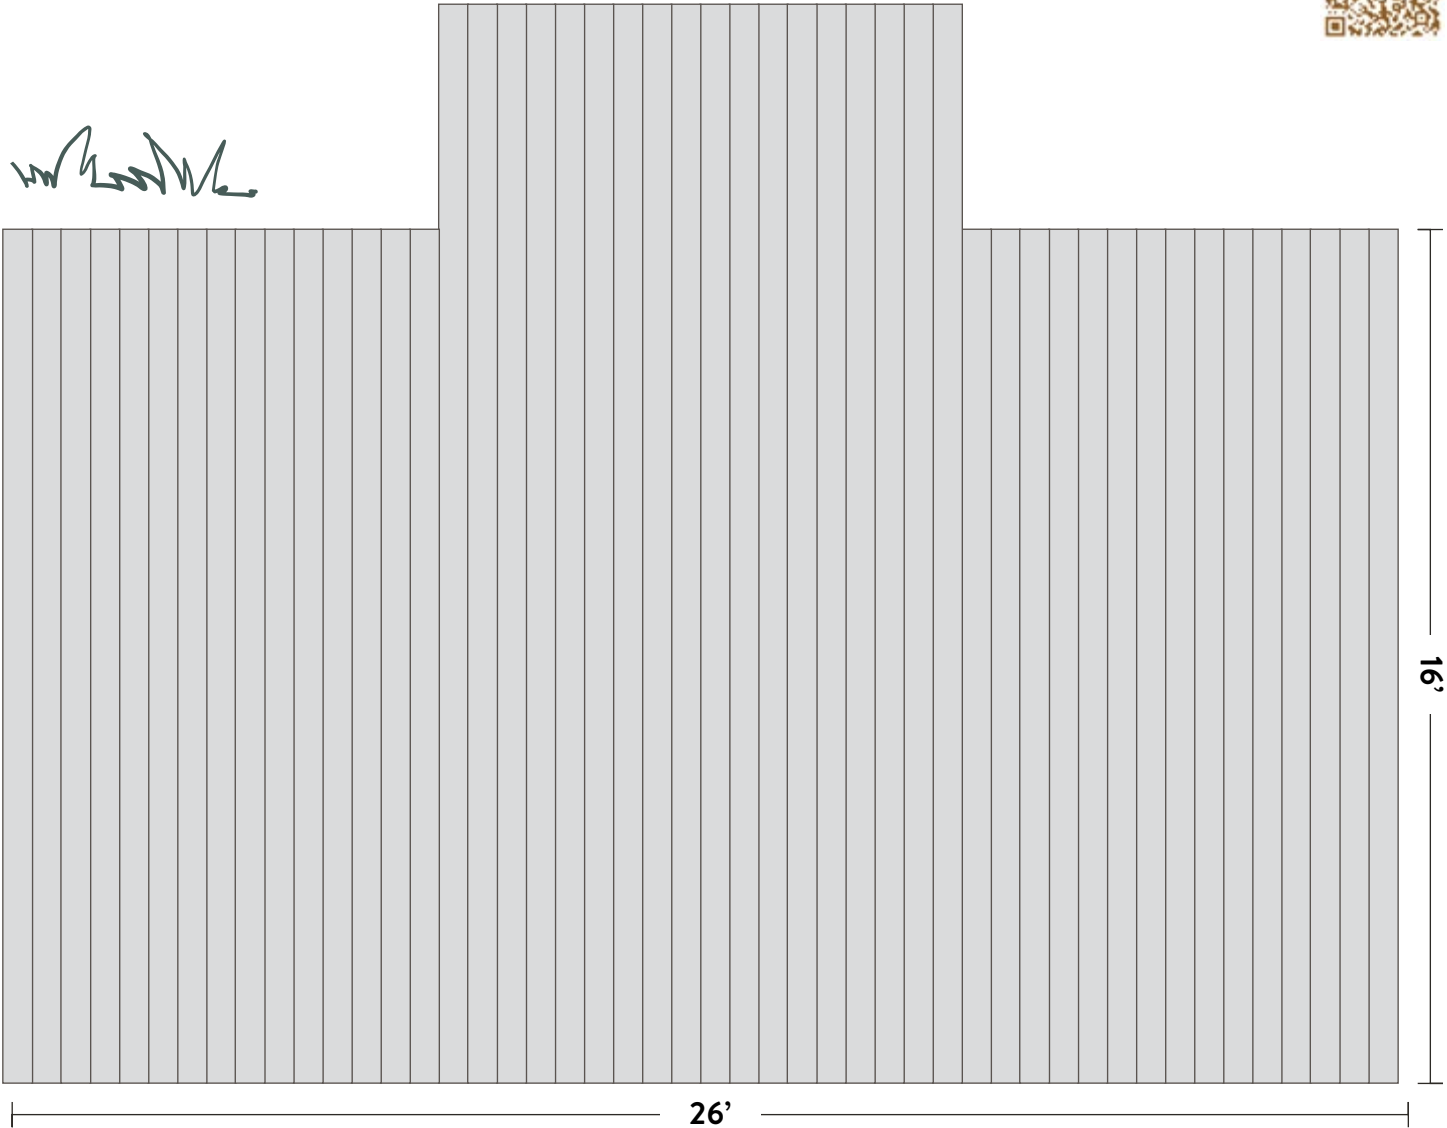

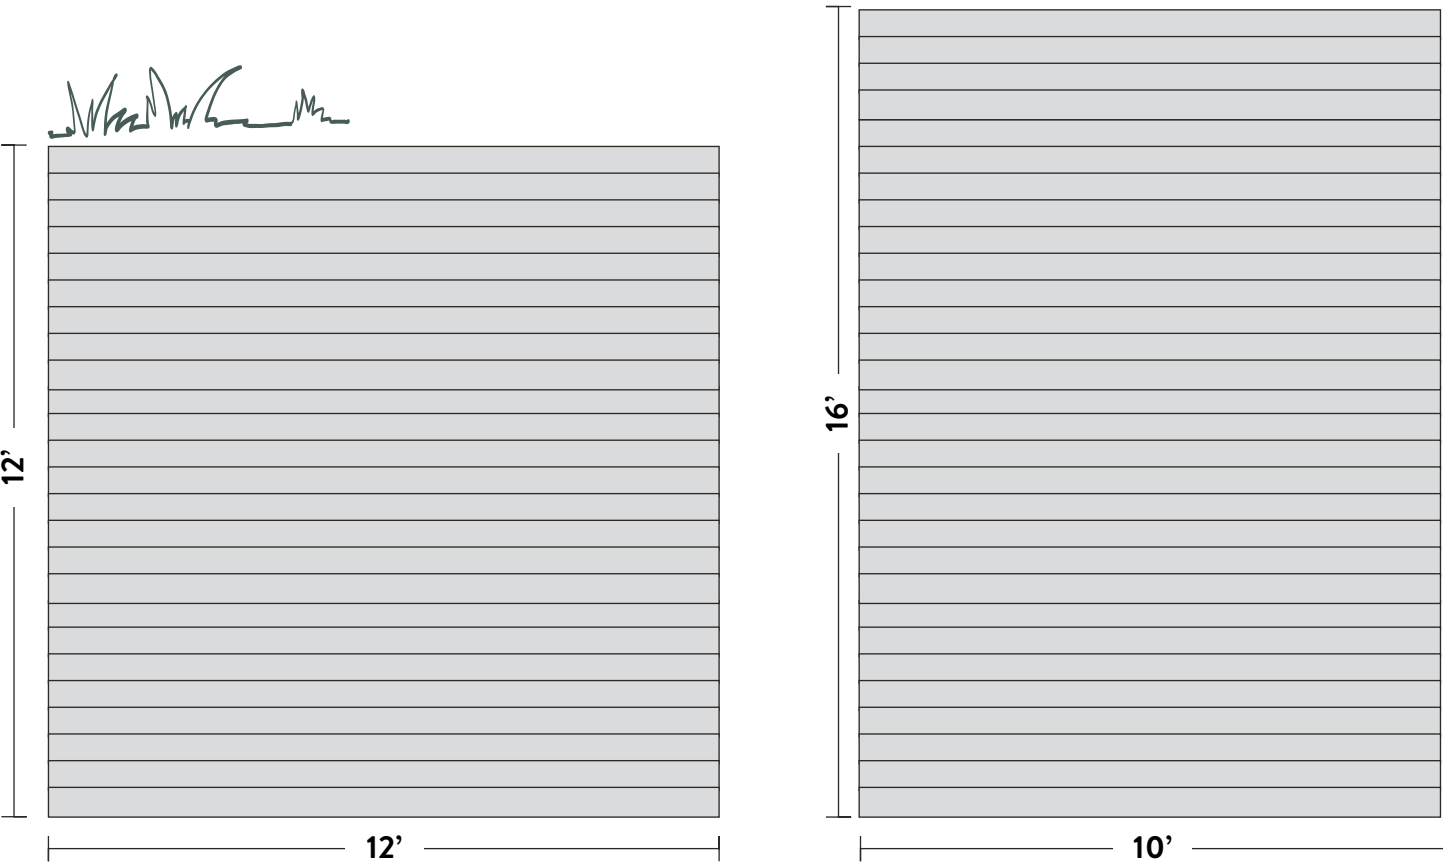

FOR THE VALUE SEEKER

High-value. Low-maintenance. The natural next step for the discerning deck owner ready to ditch wood for good.

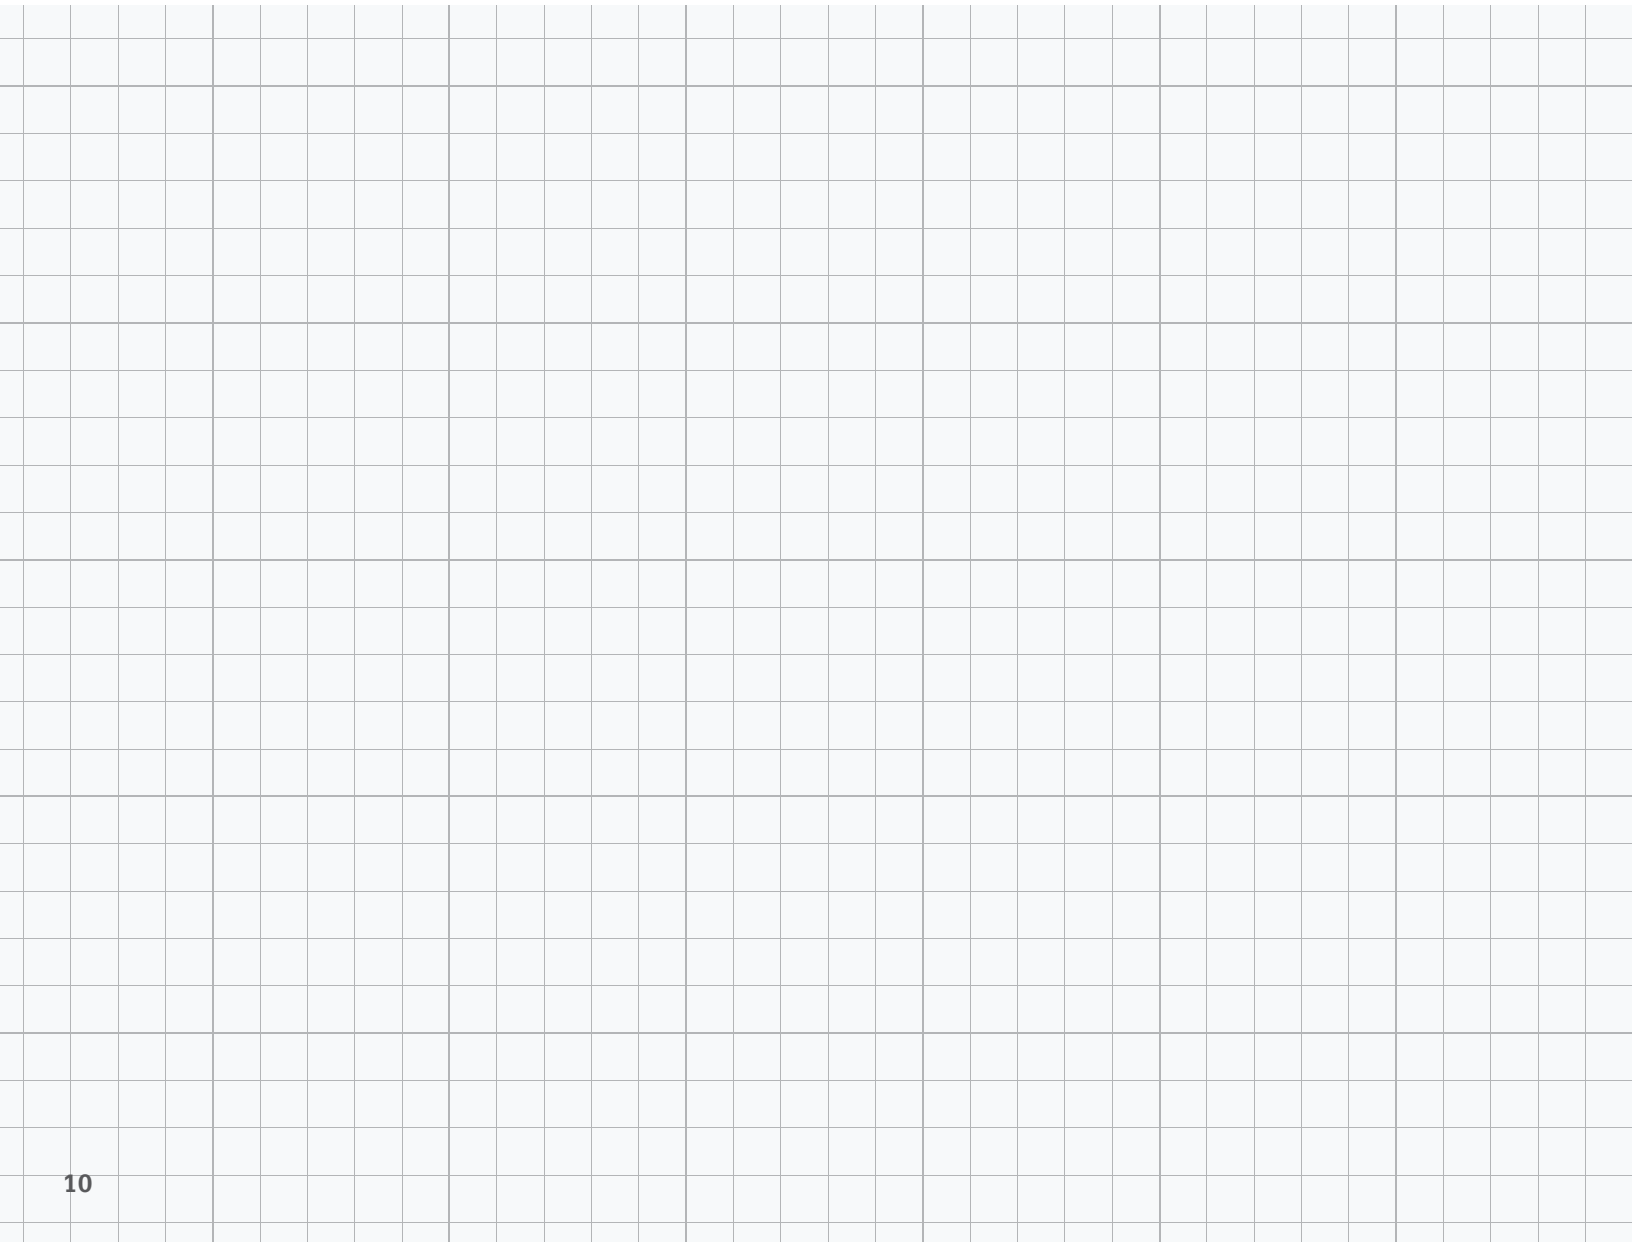

Determine the Right Deck Size

Functionality, size and layout are key when determining your deck size. Your deck, big or small, should support and enhance your lifestyle. To determine which configuration is best suited for your needs, use the drawings below to get a feel for how deck size determines furniture type and placement .

DESIGN CONSIDERATIONS

Design's the Limit

When planning your outdoor space, consider the architectural style and color of your home's exterior. Pair your deck design with a railing color and style that complements the facade.
