

DocaPole 12ft Auto Cleaning Kit Assembly Instructions

- 1. Screw female threaded base of the desired attachment onto the male threaded metal tip of the DocaPole extension pole.**
- 2. To adjust extension pole length, raise thumb levers and pull out pole segments to desired length, then lower thumb levers to lock into place**
- 3. Use the included Hinge Tip adaptor to rotate the angle of the attachment as needed**
- 4. Wear Wash Mitts on your hands like a pair of gloves to clean those hard to reach nooks and crannies**
