MIAMI-DADE COUNTY APPROVED

In a severe hurricane zone like Miami, only the strongest and most durable fence can stand the force of hurricane winds. Many of our fences meet the extremely stringent Miami Dade stamp of approval.

The Miami-Dade County Approved logo is shown with the panels that have Hurricane post and bracket options to make your fence Dade County code compliant.

En una zona de huracanes severos como Miami, sólo la cerca más fuerte y más duradera puede soportar la fuerza de los vientos huracanados. Muchas de nuestras cercas satisfacen el muy estricto sello de aprobación de Miami Dade.

Se muestra el logotipo aprobado del condado Miami-Dade con los paneles que tienen opciones de postes y soportes contra huracanes para hacer que su cerca sea compatible con el código del Condado de Dade.

Spaced Picket Panels

Panales de Estacas Espaciadas

Spaced Picket panels are ideal for use as physical barriers as well as decorative accents for your garden or landscape. And with a clean picket-through-rail design, these panels offer a neighbor-friendly option with the same appearance on both sides.

Paneles con estacas separadas son ideales para el uso como barreras físicas, así como acentos decorativos para su jardín o jardineras. Y con un diseño de barandal libre de estacas, estos paneles ofrecen una opción amigable para vecinos con la misma apariencia por los dos lados.
