

# WADDELL

**Waddell dowels come in a wide variety of lengths, diameters, and wood species so you can find the perfect rod to complete your project.**

**Easily cut down the dowels with a miter saw if needed for the best fit.**

**Some ideas for dowel uses:**

***Short***

- **Storage pegs**
- **Dish rack**
  
- **Decorative accents**

***Long***

- **Closet rod**
- **Roll holder (paper towels, gift wrap, etc.)**
  
- **Stand legs**
