LED FIXTURE

SPECIFICATIONS

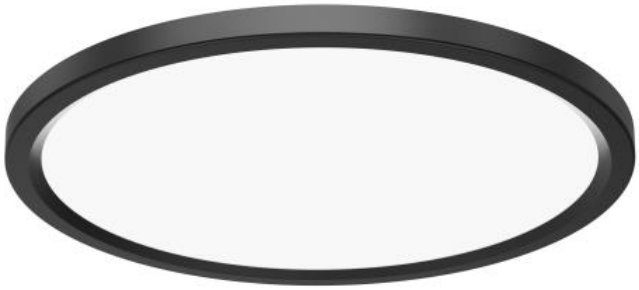

The Feit Electric 11-inch Round LED Flat Panel fixture with selectable color temperature provides added function and sleek style to any residential or commercial area. Adjust the color temperature in two ways to get the perfect light for any mood in any room. Set your preferred light color during installation with the switch at the back of the fixture or select "Switch" while installing to toggle between color temperatures from a wall switch. Cycle between Warm White, Neutral White, Cool White, Daylight, and Daylight Deluxe to fit your needs. An ultra-slim 1/2-inch profile, durable frost-white lens, and matte black frame add modern design to any space, even rooms with lower ceilings. FP11EX6WYBK2 flat panel ceiling fixtures produce an even light distribution of 1100 lumens and have an average life of 50,000 hours. They emit just 13.7 watts of electricity, an energy-efficient alternative to traditional 75-watt ceiling fixtures. Upgrade to LED flat panels to enjoy up to 45.7 years of reliable lighting.

11 in. x 13.7W
