4-LAYER FABRIC COVER

ALL-WEATHER PROTECTION

WELL-DESIGNED DETAILS

Premium Material

The travel trailer covers are made of 4-ply 160g non-woven fabric and 90g(side) in double-stitch seams for more durable, scratch-resistant, tear-proof, and against UV rays.

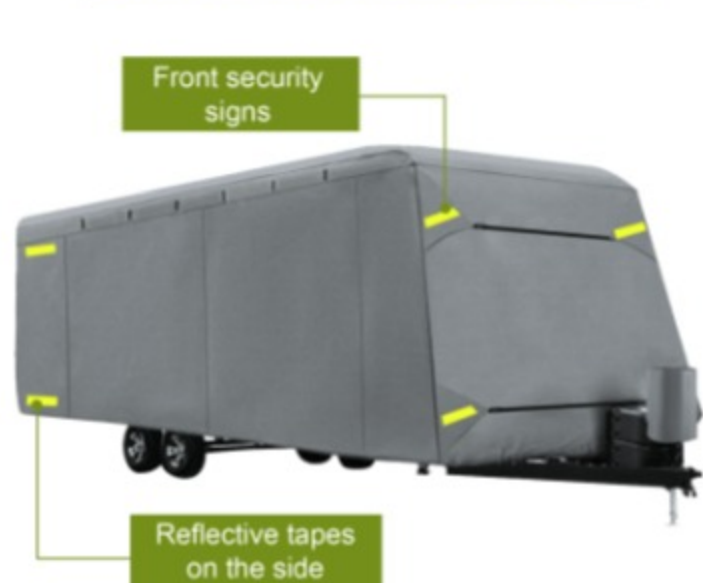

All-weather Protection

The cover for RV can prevent the trailer from bird droppings, dust, good air permeability, and block ultraviolet radiation. And the Upgraded design protects against rain, snow, and wind.

Easy Side Door Access

With extra-long zipper pulls, this breathable camper cover is effortless access to the RV door. The straps allow you to roll up the fabric as a door without removing the whole cover.

EXTRA-LONG ZIPPER PULLS

FIT FOR 24'-27' RV

Thoughtful Design

The travel trailer cover has elasticized back hem for a fast and adjustable fit. And the straps, buckles, heavy-duty zipper, tension panel, and other details are well-designed for long-time use.

Security Signs System

Reflective labels on the front and side are designed for safe access. It's safe to park during the night. 3pcs straps at the bottom ensure better protect the cover against blowing away and tearing by heavy wind.
