

VEVOR®

30" SQUARE FIRE PIT RING

Heavy Duty Steel with Tongs

36" x 36" Square Fire Pit Ring

This fire pit ring is excellent for DIY using and can be used in-ground or above ground in the park or yard. The heavy-duty steel with coating surface makes the fire pit liner more durable and sturdy. It's worth noting that our fire ring insert is 30" x 30", so it is an ideal option to create a warm atmosphere. Moreover, this fire pit ring is connected with screws so that it is easy to assemble and disassemble.

Heavy Duty Steel

The heavy-duty steel structure and surface black coating effectively improve the hardness and wear resistance of the fire pit liner, extending the service life.

30" x 30" Inner Space

The 30 x 30-inch large square fire pit ring can hold more charcoal and wood to solve the problem of the frequent addition of charcoal and help the fire grow.

DIY Different Style

DIY decorates your bonfire liner, designs fire pit ring with brick, stone, or other materials, then forms a beautiful landscape in your yard and garden.

Simple Installation

Our firepit ring can be installed on your own. You only need to fix the connection part with eight screws; then, you can put the firepit ring to use.

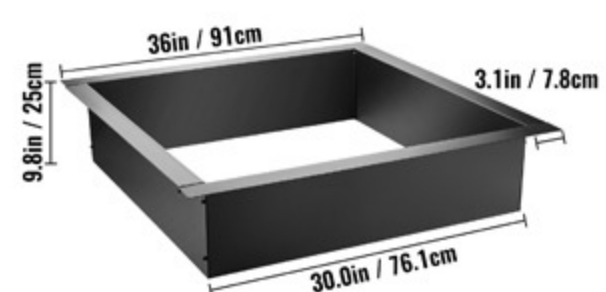

Lengthened Tongs

We provide extra lengthened tongs for you, which allows you to add charcoal to the fire or barbecue at will without hurting your hands.

Extensive Usage

The fire rings for outdoors are widely used and easy to carry and store. Suitable for camping, fishing, or simple barbecue in the park or backyard.
