

VÍVOACTIVE® 6

HEALTH AND FITNESS SMARTWATCH

PRODUCT OVERVIEW

Understand your body better with vívoactive 6, the health and wellness smartwatch. Featuring a bright AMOLED display and up to 11 days of battery life, this GPS smartwatch is purpose-built with essential health and fitness features. [Body Battery™](#) energy monitoring helps you keep your energy levels in check with personalized insights based on [sleep](#), [naps](#), stress, workouts and more. Improve the quality of your sleep with personalized sleep coaching and nap detection plus even more details such as [HRV status](#)¹. During the day, keep your activities fresh with more than 80 built-in sports apps — plus fitness features such as daily suggested workouts for walking to help you reach your goals. When paired to your smartphone, vívoactive 6 makes it easy to receive texts, emails and other smart notifications right from your wrist. Plus, enjoy connectivity features such as music storage, [Garmin Pay™](#) contactless payments² and more.

VIVOACTIVE® 6

HEALTH AND FITNESS SMARTWATCH

KEY FEATURES

BODY BATTERY™ ENERGY MONITORING

See your [energy levels](#) throughout the day, so you'll know when your body is charged up and ready for activity or drained and needing to recharge with restful sleep. And get even more details and personal insights on how [sleep](#), [naps](#), daily activities and high stress specifically impact your energy¹

SLEEP COACH

Get a [sleep score](#) and personalized coaching for how much sleep you need and how you can improve. Even keep track of different sleep stages and naps — and see several key metrics over your sleep period, such as [HRV status](#) to better understand your health¹.

BUILT-IN SPORTS APPS

Track the ways you move with more than 80 preloaded GPS and indoor sports apps — including walking, running, cycling, pool swimming, activities for wheelchair users and more.

WORKOUT OPTIONS

From daily suggested walking workouts to step-by-step workouts for strength, HIIT, yoga, Pilates, mobility and more, it's never been easier to move. Simply find the workouts in the [Garmin Connect app](#), and download them onto your smartwatch.

HEALTH AND WELLNESS

Continuously monitor your health with wrist-based heart rate¹, HRV status, [Pulse Ox](#)² and [women's health](#) tracking — including menstrual cycle and pregnancy, meditation and more — to learn more about your body.

SMART NOTIFICATIONS AND TEXTING

Receive emails, texts and alerts on your watch when paired with your iPhone or Android smartphone. With an Android phone, respond to texts with the on-watch keyboard, and view photos sent to you directly from your watch's screen.

VIVOACTIVE® 6

HEALTH AND FITNESS SMARTWATCH

KEY FEATURES

BRIGHT DISPLAY AND LONG BATTERY LIFE	This smartwatch has a bright AMOLED display and up to 11 days of battery life.
MOBILITY <small>NEW</small>	Increase your flexibility and strength with new downloadable mobility workouts and an activity profile.
ANIMATED WORKOUTS <small>NEW</small>	Improve your form with downloadable animated workouts from Garmin Connect™ for HIIT, cardio, strength, mobility, yoga and Pilates. Plus, get push and handcycle workouts for wheelchair users.

Please note: The ECCNs and Classification numbers provided represent the opinion of Garmin International, Inc. of the proper classifications for the products today (based on the original software and/or original hardware). Classifications are subject to change. Under the U.S. export regulations, the U.S. Government assigns your organization or client, as exporter/importer of record, the responsibility for determining the correct classification of any item at the time of export/import. Depending on the products, the customer, or the country of destination, an export license may be required by the Department of Commerce prior to shipment. The Department of Commerce's Bureau of Industry and Security (former Bureau of Export Administration) website (<http://www.bis.doc.gov>) provides information that might be useful to you in determining whether you need to obtain a license for a particular shipment. To be clear, if an item described above does require a validated export license, it would be the exporter's responsibility to obtain this license prior to exportation.
