

Installation Guide

Product: Garden Arch Trellis for Climbing Plants

Warranty Period: 30 Days from the date of purchase

Installation Instructions:

1. Lay out all parts and check that all components are included.
2. Identify the tubes according to the size markings.
3. Begin assembly from top to bottom following the pre-drilled holes.
4. Insert and connect each metal tube with provided screws and fittings.
5. Do not fully tighten the screws until the entire structure is assembled.
6. Once all sections are properly aligned, tighten all screws to secure.
7. Place the arch in the desired location and anchor it into the ground firmly.
8. Ensure stability before decorating with plants or floral arrangements.

Maintenance Tips:

- Wipe the metal surface regularly to prevent rust.
- Store indoors during extreme weather for extended product life.

Disclaimer:

This product is designed for residential and decorative outdoor use only. Damage caused by improper installation or misuse is not covered under warranty.
