

Chandeliers warranty service commitment

Thank you for choosing our exquisite chandeliers to add warmth and glory to your home environment. In order to ensure that you have a worry -free experience, we specially provide a comprehensive warranty service commitment:

Warranty period: From the date of purchase, this chandelier will enjoy a 30 -day free return. During the warranty period, if any failure or damage caused by product manufacturing defects, we will provide you with maintenance or replacement services for free (based on the actual product situation).

Make warranty: This warranty covers the main components of the chandeliers, including but not limited to the fault caused by the lamp body, light rack, wire connection, etc. due to manufacturing problems. However, please note that problems caused by non -manufacturing defects such as improper use, natural wear, accidental damage, or self -disassembly are not within the range of warranty.

Warranty process: If your chandelier occurs during the warranty period, please contact us first and provide the purchase number. Our customer service will provide you with detailed warranty guidance.

We are always committed to providing you with high -quality products and high -quality services. Your satisfaction is our greatest pursuit. If you have any questions or need help during use, please contact us at any time, we will serve you wholeheartedly.
