

LED LAMP

SPECIFICATIONS

Grow better, stronger plants with the Feit Electric BR30/GROW/LEDG2/BX Non-Dimmable BR30 LED Plant Grow Light. Rated for high humidity use, it's ideal for all phases of indoor plant growth and is suitable for soil or hydroponic gardens. Our grow bulbs emit more light in the useful 449nm blue and 630nm red spectrum than regular white LED bulbs and emits spectrum wavelengths and color for better photosynthetic response. Our instant full brightness BR30 LED Plant Grow Light offer low heat emission, low energy consumption and an average life of 25,000 hours / 22.8 years. Choose a dependable general purpose grow light for your growing needs.

BR30/GROW/LEDG2/BX

Features
