

Standard Assembly & Guide Instructions

This guide provides step-by-step instructions for assembling a non-modular sectional sofa. Please ensure all parts and tools are present before beginning the assembly process.

Tools Required:

- Phillips head screwdriver
- Allen wrench (typically included)
- Soft cloth to protect surfaces

Step 1: Unpack all components and verify parts against the included parts list.

Step 2: Place the sofa base sections on a clean, flat surface.

Step 3: Connect each section of the sofa by aligning the metal brackets and pushing them together until secure.

Step 4: Attach the legs by screwing them into the pre-drilled holes at the bottom of each section.

Step 5: Secure armrests by aligning with pre-installed brackets and fastening with included hardware.

Step 6: Attach the backrests by sliding them into the rear brackets and securing with screws or bolts as provided.

Step 7: Place cushions onto the frame, arranging them according to the included layout diagram.

Step 8: Ensure all sections are tightly connected and the sofa is stable.

Care Instructions:

- Clean fabric with a damp cloth and mild soap.
- Check all bolts and connections periodically to ensure stability.
- Avoid standing or jumping on the sofa.
