

Single-Stage Snow Thrower

MAX Performance. MAX Value. MAX Support.

Single-Stage Snow Thrower

Ideal for light to medium-sized snowfall, up to 11" deep. This single-stage option simply outclasses others in its price range.

FEATURES & BENEFITS

- 18" snow clearing width.
- Removes snow up to 11" deep.
- Powered by a 87cc 4-cycle engine.
- Lightweight and easy to maneuver.
- Compact design and foldable handle for easy storage.
- Self-propelled, turning auger with rubber edge pulls the snow thrower forward while clearing down to the pavement.
- Smooth ratcheting, on-chute handle rotates 180° to easily throw snow where you want it.
- Adjustable deflector locks into the desired angle to direct the snow plume.
