

T400 Series Aluminum Twin Step Ladders

The aluminium Multi-Use Twin Stepladder T400 series has a duty rating of 375 pounds per side making these ladders ideal for one or two-person jobs. The tops are made of heavy gauge extruded aluminum, and the steps are connected with a solid double riveted construction. The extra wide TRACTION-TRED® steps are slip resistant. The bottom steps are braced with full U channel knee braces.
