***Outdoor Nylon Cable Ties in a
Rainbow of Colors — a T&B Exclusive!***

Ty-Rap[®]

UV-Stabilized
Colored Cable Ties

Ty-Rap® UV-Stabilized Colored Cable Ties

No More — “You Can Have It in Any Color You Want, as Long as It’s Black.”

UV-stabilized nylon used to be the Model T of cable ties — you could have it in any color you wanted, as long as you wanted it in black.

Now Thomas & Betts has put those days in the past by making UV-stabilized nylon the standard material for its full line of Ty-Rap® colored cable ties, available in all the colors of the rainbow and then some.

Ideal for outdoor wire and cable bundling in cable and satellite TV, telecom and datacom, as well as retail signage, these colored cable ties include an additive that makes them resistant to ultraviolet rays, which can degrade nylon. In addition to UV resistance, they’re packed with all of the high-performance features you expect from Ty-Rap® cable ties.

And, yes, you can still get them in black — but now in your choice of 10 other colors, too!

Features

- UV-stabilized nylon 6.6 construction for extended life in outdoor applications
- Available in 11 colors for color-coding circuits or color-matching cable jackets for improved aesthetics
- “The Grip of Steel™” Type 316 stainless steel locking device ensures infinite adjustability and superior holding power
- Oval, low-profile head designed to prevent snags on uneven surfaces and pull more easily through bulkheads
- Rounded edges won’t dig into cable jackets when tightened
- Ribbed and stippled underside prevents slippage on cables
- Smooth, notchless body contains no stress points to weaken under tension
- Turned-up tail oriented for faster assembly and easier handling

Specifications

Material:	Weatherable, UV-stabilized nylon 6.6
Operating Temperature:	-40° to 185° F (-40° to 85° C)
Standards/Certifications:	UL® Listed, CSA Certified UL94 V-2 flammability rating, suitable for use in air-handling spaces (plenums) in accordance with NEC Section 300.22 (C) and (D).

* This package contains 100 cable ties in black, brown, red, orange, yellow, green, blue, purple, gray and white (10 of each color).

Please note that the UV-stabilized nylon ties shown above are just a sampling of the many widths, lengths, tensile strengths and styles of Ty-Rap® UV-Stabilized Colored Cable Ties available to you. To order other high-performance Ty-Rap® Cable Ties in colored, UV-stabilized nylon 6.6, add the following suffix numbers to the catalog numbers.

How to Order Colored Ty-Rap® Cable Ties and Accessories

Note: The base catalog number for Ty-Rap® cable ties is for natural (non-colored) nylon without the UV-stabilizing additive, which is not suitable for outdoor use. For colored UV-stabilized nylon Ty-Rap® cable ties, add the following suffix numbers to the base catalog numbers. For example, TY25M is natural (non-colored) nylon for indoor use only, while TY25M-2 is red UV-stabilized nylon for indoor or outdoor use. (Consult customer service for ordering information.)

COLOR	SUFFIX NO.	COLOR	SUFFIX NO.	COLOR	SUFFIX NO.	COLOR	SUFFIX NO.
Black	X	Orange	3	Blue	6	White	9
Brown	1	Yellow	4	Purple	7	Beige	22
Red	2	Green	5	Gray	8		

Convenient Installation Accessories for Ty-Rap® UV-Stabilized Colored Cable Ties!

Ty-Rap® Cable Tie Installation Tool

Increase Productivity and Decrease User Strain

- Lightweight, balanced, ergonomic design for user comfort
- 360° rotating nose enables operation from any position — no twisting of the hand required
- Front-access tension-adjustment wheel permits fast, easy changes
- Anti-recoil mechanism reduces shock and vibration to hand and wrist
- Adjustable grip span fits large or small hands
- Offers lowest handle force with highest tension of any hand-operated cable tie installation tool on the market
- Longest stroke length on the market — a full 1" — means fewer hand-tensioning cycles to save time and lower installation costs
- Flush tail cut-off eliminates sharp ends that can injure hands or damage cable jackets
- Cleanly cuts and holds tails captive until ejected by user — no mess to clean up
