

EASY CARE & CLEANING INSTRUCTIONS

Read below for pro tips on how to care for your new, beautiful area rug

Machine Washable

It's easier than ever to care for your area rug! Simply machine wash this rug on gentle or delicate in cold water only. Use gentle soap. Do not use fabric softener or bleach, dry clean or iron. Tumble dry delicate on low heat. Compatible with most standard washing machines. Rugs 5'x7' and under fit most compact, standard, and high efficiency washing machines 2.2 cubic feet or larger while rugs 6' x 9' and up fit most standard, high efficiency washing machines 3.8 cubic feet or larger.

Spot Clean

When stains or spills occur, blot the area immediately with a clean damp cloth. Use carpet cleaner as needed to treat the stain. Dab the spot with a clean dry cloth until moisture is removed. Allow to air dry thoroughly before walking on the area.

Vacuum Regularly

Refresh the fibers in your area rug by vacuuming regularly. Vacuuming often will help to eliminate dust, debris, and remove any shedding that may occur. Use beater bar on low to medium pile rugs only. Pro Tip: Do not use the vacuum's beater bar setting when vacuuming high-pile, shag, or natural fiber area rugs.

Easy Care

This easy care, machine washable area rug is made with durable yarns that are hardwearing and ideal for high-traffic areas. It's pet and kid-friendly, and ideal for entryways, kitchens, playrooms, living rooms and more!

Rug Pad Recommended

Use of a rug pad is recommended with this area rug. Rug pads can help prevent slipping and sliding on hard surfaces while providing extra comfort underfoot. Please note: all rug pads are sold separately.
