

# E-Z Stroke® Saw

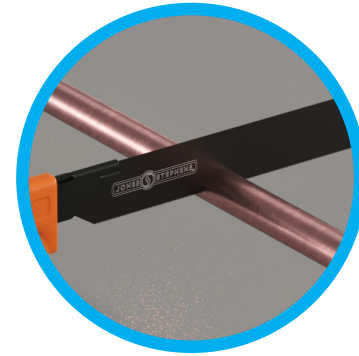

- For smooth, fast, accurate cutting of PVC, ABS, CPVC, PP, PE, Wood and other soft materials
- Tri-edge ground teeth cuts through material like a knife (17 TPI)
- Flexible blade allows flush cutting without marring adjacent surface
- Ergonomically designed orange handle for comfort and superior control

**S49005 & S49008**  
Cuts plastic pipe and wood

- Bi-metal blade cuts metals (iron, copper, brass, aluminum, and other metals)
- Use to cut off closet bolts, copper tubing, brass tubular, iron pipe and much more
- Strong, thin, flexible blade for less resistance while cutting material
- Lightweight and durable

**S49030**  
Cuts iron, copper, brass, aluminum, and other metals
