LIFE IS GOOD DONATES 10% OF ITS ANNUAL NET PROFITS TO HELP KIDS IN NEED.™

10% FOR KIDS IN NEED®

For five years, Bert and John Jacobs drove up and down the East Coast, selling their t-shirt designs on the streets and in college dorms. They slept in their van, lived on PB&J, and showered when they could. Then in 1994, with just \$78 to their names, they designed their first Life is Good t-shirt to counter the negative news – and discovered how those three simple words could inspire people to focus on the good. Today, Life is Good continues to spread the power of optimism and help kids in need.
