

## Flush All the Waste Away with Its Strong Power

**VEVOR**

### 350W SEWERAGE PUMP

Change the way you look at sewage treatment

- 23 ft / 7 m Head
- 6000 L/h Large Flow
- 99% Inhibition Rate
- Low-noise Operation

Looking for ways to easily and quickly dispose of wastewater? This VEVOR macerator pump provides a 23 ft high head and 6000 L/h large flow with a powerful 350W copper motor. Whether you're adding it to your bathtub, shower room, laundry, or kitchen, this sewerage pump is the one you can trust.

### OILING TO WITHSTAND HOT WATER

- Stand up to 75°C water all day long and 90°C water for 4 hours
- Oil injection design better protects the motor

Our macerator sewerage sump pump can better adapt to hot water applications with the oil injection design. It also improves the service life of the motor.

### INTEGRATED LARGE WATER TANK

6000 L/h  
Meet the demand for simultaneous use of multiple bathroom equipment

The upflush pump has 3 water inlets connecting various devices in your bathroom or kitchen simultaneously. You can get convenient and cost-saving water disposal.

### ANTIMICROBIC SILVER ION TANK

- Restrain bacterial growth and prevent odor generation
- Can be used for a long time without cleaning

Our sewer macerator pump features an antimicrobial silver ion tank with an inhibition rate of up to 99%. So you don't have to worry about odors.

### BUILT-IN CHECK VALVE

Prevent wastewater backflow, and no external check valve is required

This macerator sewerage pump has an elbow assembly with a check valve to connect the water outlet. It helps you easily solve the problem of wastewater backflow.
