Sink: IKON® 33" Apron 1-3/4 with Low Divide in Concrete Gray
Faucet: EMPRESSA™ Pull-Down in Stainless Finish

BLANCO® Farmhouse Sinks
BOLDLY DESIGNED. HIGHLY DESIRED.

Sink: QUATRUS® R15 ERGON Apron Super Single
Faucet: BLANCO CULINA Semi-Professional in Satin Nickel

Industry standard, benchmark, iconic... BLANCO farmhouse sinks offer an unprecedented selection of materials, styles, sizes and palettes, spanning six collections. And there's nothing quite as evocative as these bold, distinctive designs. With German engineering at its core, the challenges

accomplished and the artistry achieved culminate in *sink-art*, both timeless and trendsetting. Each material from steel to stone, each exacting detail and each design — commands attention. In total, they comprise the BLANCO Farmhouse Collection.

SETTING THE STAGE
WITH EXCEPTIONAL OPTIONS.

DURINOX®

FIRECLAY

STAINLESS STEEL

Sink: IKON® 27" Apron Single Bowl in Concrete Gray
Faucet: PANERA™ in Stainless Steel

SILGRANIT®

While we're driven to discover, develop and conquer new materials, our guiding principles continually refine and revere century old techniques and yes, art-of-the-craft values. So whether we're working with surgical grade and

specialty steel, durable fireclay, or even our industry leading SILGRANIT, our passion to create signature designs are the result of generations of inspired engineers and craftsmen.

THE FARMHOUSE AESTHETIC —

Sink: CERANA® II 33" Apron Single Bowl in White
Faucet: EMPRESSA™ Pull-down in Oil Rubbed Bronze

It's not just how it looks, it's how it makes you feel. To transform a space you must be able to not only see the objects but the space between the objects. A farmhouse sink provides a fresh approach to that inspired space. With the eight universal colors of SILGRANIT®, the harmonious

neutrals of fireclay and the modern, clean lines of our steel offerings, the flexibility to add layers and textures with our materials and designs are essential components to the farmhouse decorative palette.

Stunning space in a small space.

Finally, the ability to fit a farmhouse sink into a small space... beautifully. Our 27" IKON® farmhouse sink fits into a 30" cabinet. So let dreams and inspirations unfold. Maximum impact. Minimum space.
