ADD “CUT HERE TO OPEN” .5” ABOVE CLOSURE, IF DESIRED

24.75” WEB WIDTH

On the back panel, use the “reverse” opening instructions that show the notch positioned to the right of the slider.

To prevent adding extra colors to your design, you may modify the colors in the illustrations to fit your established color scheme.

Options and guidelines for use of the Slider-Guard graphics have been supplied separately, in an archive named “Slider Guard Assets 9_2020”.
