Safety Instructions

1. Always assemble or mount the mirror on a stable, flat surface.
 2. Keep small parts away from children during assembly.
 3. Avoid placing mirrors where they can be easily knocked over.
 4. Do not hang the mirror on surfaces unable to support its weight.
 5. Wear protective gloves when handling glass surfaces.
-

Assembly Instructions

A. Wall Mounting

1. Choose a location on a sturdy wall.
2. Use a level to mark the desired position for the mounting brackets.
3. Drill pilot holes for anchors (if mounting on drywall).
4. Insert wall anchors and secure brackets using the provided screws.
5. Carefully lift the mirror and hang it on the mounted brackets.
6. Check alignment with a level and adjust as needed.
7. Attach removable tray (if included) according to instructions.

B. Floor Placement (Lean or Freestanding)

1. Select a flat, stable surface for placement.
 2. If the mirror has an anti-tip bracket or support, attach it according to the included hardware.
 3. Position the mirror securely against the wall or support bracket.
 4. Attach removable tray (if included) as desired.
-

Maintenance and Care

- Clean the mirror surface with a soft, non-abrasive cloth.
 - Avoid using harsh chemicals that can damage the glass or frame.
 - Periodically check brackets and screws for tightness.
 - Remove the mirror from the wall before moving to prevent damage.
-

Troubleshooting

Issue	Solution
Mirror wobbles	Check that brackets are level and screws are fully tightened.
Tray feels loose	Ensure screws securing the tray are tight and properly aligned.
Surface smudges	Clean gently with a microfiber cloth and mild cleaner.
