

## HYDRAULIC BOTTLE JACK

20TON HEAVY DUTY

### 10 Ton-20 Ton Hydraulic Machine Toe Jack

180° Rotation & Durable Rod & Independent Cylinder

- Our toe jack lift has a powerful lifting capacity, 20 tons on top and 10 tons on the toe. The toe jack is made of heavy-duty steel, making it rigid and durable. Convenient to control, so you can rise or drop it with ease. It will be an excellent jack tool for your automotive repair works and other emergencies. Don't wait for a need to repair or lift life's heaviest obstacles. After all, you could have a jack supporting you.
- 10/20 Ton Loading Capacity
- One-Piece Molding Toe
- Effortless to Rising & Falling
- Sturdy Construction

## VEVOR®

VEVOR is a leading brand that specializes in equipment and tools. Along with thousands of motivated employees, VEVOR is dedicated to providing our customers with tough equipment & tools at incredibly low prices. Today, VEVOR has occupied markets of more than 200 countries with 10 million plus global members.

### Why Choose VEVOR?

- Premium Tough Quality
- Incredibly Low Prices
- Fast & Secure Delivery
- 30-Day Free Returns
- 24/7 Attentive Service

POWERFUL PERFORMANCE

INDEPENDENT CYLINDER

DURABLE & RUGGED ROD

### Power Performance

The load capacity can reach up to 20 Tons/44000 lbs (Top) and 10 Tons/22000 lbs (Toe). Stroke: 6.2 in/158 mm. A great tool to lift your equipment.

### Durable Spring & Toe

Thickened compact springs feature fast retraction and long service life. The one-piece molding claw is non-slip, stable, and break-resistant.

### High-Quality Hydraulic System

Built-in two rugged steel rings are wear-resistance. The piston rod and the inner rod are not in contact, making the inner rod more durable.

THICKENED COMPACT SPRING

EASY TO USE

WIDE APPLICATION

### Sturdy Structure

The thickened base is robust, increasing its load-bearing and stability. Meanwhile, the auxiliary handle makes the toe jack portable and convenient to move.

### Convenient Operation

The unloading valve can adjust the rise and fall of the jack. The operating handle is designed to rotate 180 degrees for reaching different places with ease.

### Wide-Range Application

VEVOR toe jack lift can be used in many situations, such as warehouses, garages, the construction industry, and ports. Great for loading goods and repairing cars.
