MODULAR STORAGE SYSTEM

MILWAUKEE[®] PACKOUT[™] is the industry's most versatile and durable Modular Storage System. With over 100 solutions, this system revolutionizes tool transportation, organization, and storage for the trades on the jobsite, in transit, and in shops.

The PACKOUT[™] Modular Storage System is made up of Tool boxes, Organizers, Totes, Bags, Mounting Plates, Racks, Power Tools, and much more. All of these solutions are impact resistant and have modular connectivity to build your system providing maximum productivity, performance, and safety on the job.

PACKOUT™ RACK

The PACKOUT™ Rack joins the most versatile and durable Modular Storage System, bringing ultimate PACKOUT™ access and organization to the inside of vehicles. With the ability to fully customize the drawer layout; all PACKOUT™ Tool Boxes, Organizers, Bags, and compatible Power Tools connect to the sliding drawers allowing users to access their storage without unstacking. This solution can stack and expand across a vehicle wall to accommodate the needs of any fleet. Two Compact Mounting Plates can also be fastened to the side of the Rack for added storage.

The Rack can be installed into Ford Transit*, Ram ProMaster*, Mercedes Sprinter*, box trucks, shop walls, enclosed trailers, and CONEX boxes. Our PACKOUT™ Modular Storage System continues to drive productivity by making it easier to maximize storage space and stay organized with over 100 solutions.
