

# 6 FT ANIMATED LED GRAVE WARRIOR

PHRASES SPOKEN

“Ah, the FUN of Halloween! A time when no rules seem to apply! Ha ha, let the carnage begin! You best be careful unless you like battling toe to toe with warriors of the undead! Ha ha ha!”

“Did I hear a snide insult from you? I prefer my sharp axe to your cutting remarks. Perhaps you are game to test weapon against weapon? I didn’t think so. I hear your mommy calling, you better scamper off!”

“The best part of Halloween is that I fit right in. I don’t even need to put on a costume. Unfortunately for you, a disguise is what you’ll need to keep a step ahead of me. I am pretty fast for being undead, so I suggest you run along! I’ll give you a small head start! Ha ha ha!”

“I hunt these lands in search for a challenging battle and some hard-fought glory. Perhaps you think yourself a match for me? Don’t test my humor so, or I’ll have to (shing!) cut you down to size! Huh huh huh.”
