ASSEMBLY INSTRUCTIONS

Step 1:

Easily open the sun shelter in six directions until partially extended.

Step 2:

- 1) Put on the big sun shelter B, each leg covers with a leg fabric.
- 2) Connect the big sun shelter B to the small sun shelter C by velcros.

MADE IN CHINA

ASSEMBLY INSTRUCTIONS

NOTE:

Pls push this red button when you close the sun shelter.

Step 3:

Hold the black movable spring buckle on the leg. Slide it up until you hear it lock into place. Do the same for the remaining 5 legs.

Be careful when folding the eaves.

Press the spring ball by one hand and push the pole inside by the other hand at the same time.

Step 4:

- 1) There are removable inner poles under eaves, pull them out a bit and fit them into the pocket on each corner of top fabric.
- 2) Extend the inner pole until the spring ball is fixed.

MADE IN CHINA

ASSEMBLY INSTRUCTIONS

Step 5:

- 1) Step on the leg plastic base. Adjust the canopy height by lifting the leg until the leg locks into place, please see **FIGURE 1**. Do the same for the remaining 5 legs.
- 2) Hook the fabric of legs to bottom hole on inner pole, please see **FIGURE 2**.

Step 6:

Hang the netting around the cross bar by velcros. The netting should be hanged between the canopy leg and the leg fabric.

MADE IN CHINA

ASSEMBLY INSTRUCTIONS

Step 7:

- 1) Insert one steel stake F into a hole on the leg plastic base, please see **FIGURE 1**, secure the canopy to the round, do the same on the other 5 bases.
- 2) Tie rope E to the plastic ring on the corner of the canopy fabric, please see **FIGURE 2**. Tie the other end to the ground stake, please see **FIGURE 3**. Adjust the tension on all 6 ropes for additional support.

ATTENTION:

Please remove the canopy when not in use to avoid any damage when folding the frame.
