

# LED LAMP

## SPECIFICATIONS

Enjoy all the benefits of advanced LED energy-saving technology with the Feit Electric 15W Equivalent Warm White T7 LED specialty light . This non-dimmable 3000K Warm White light produces 80 lumens, using just 1.5 watts of electricity - up to 90% less energy than an equivalent 15 watt incandescent light bulb. Get instant on to full brightness with relatively cool running performance. These Feit Electric T7 LED bulbs have an average life of 15,000 hours / 13.7 years, are RoHS compliant, and are 100% mercury free. Choose a dependable special use bulb for residential or commercial applications.

### 15 Watt Equivalent Warm White Clear T7 LED Specialty Light Bulb

**BPT7N/LED/HDRP**

#### Features

- Dependable special use bulb for appliances, signs, indicator lights and more
- Upgrade older specialty lighting to the latest energy saving LED technology
- Energy efficient LED technology uses considerably less power compared to equivalent incandescent lights
- Long life reduces the inconvenience of replacing bulbs so often
