ITEM NO.	DESCRIPTION	QTY.
8B	Grid shelf	1
9A	Bookshelf body	1
18A/B	Barrel Screw (Male) & Barrel Nut (Female)	4 Sets
22	Bookshelf curved arm (long)	2
25A	Pot hook straight	4
25B	Pot hook angled	4
26A	Hex key	2
30A	Wall screw 1/4 x 20 x 2"	4
30B	Wall sleeves/anchors	4

## **STEP 1: LAYOUT PARTS**

On a table lay out all parts as shown in the exploded view above.

## **STEP 2: ATTACH CURVED ARMS TO THE RECTANGULAR BOOKSHELF FRAME**

**TIP!** It is easiest to attach the curved arms when you insert the Barrel Screw (18A) from the outside and then the Barrel Nut (18B) from the inside using the hex keys provided.

# How to Attach Your Pot Rack to the Wall

## **TOOLS NEEDED FOR INSTALLATION:**

Provided: Installation hardware (anchors, bolts, wall screws)

You will need: level, tape measure, pencil, and an electric drill

## **STEP 1: LOCATION**

Decide where you want to place your pot rack. Consider the height of the wall where the pot rack will hang, keeping in mind how far below the rack your pots and utensils will hang, plus how high above your head you can still easily reach cookbooks, etc. stored on the grid.

On the wall, mark the four points where the top of rack arms and back of the base of the bookshelf will attach. Then tap a small nail through each mark to be certain a joist is not in the way.

## **STEP 2: INSTALL IN DRYWALL**

Install the plastic anchors into the wall before mounting the rack and using the wall screws. use a hammer and tap lightly the plastic wall anchors so they are completely flush with the wall. Then place the bookshelf

## **INSTALL IN WOOD**

If you need to install one or both sides of your rack in wood, use all of the wall screws (30A) included without any plastic anchors.

**PAINTABLE** Want a different color? We recommend Rustoleum "Hammered" colors for their metal-like finishes.

Consult a paint retailer for guidance

## **CLEANING**

Your pot rack has a durable powder coat finish designed to provide years of protection. Cleaning with a damp cloth. Dry thoroughly after cleaning.
