

## **INTRODUCTION**

Clean everything with UV-C LED technology that gets the job done – and done exceptionally well! The tzumi ionUV ToolBag is a specially designed UV sterilizing bag that disinfects all your tools and/or job site items in as little as 10 minutes. All it takes is one-click for the ionUV ToolBag to achieve a 99.9% sterilization efficiency rate.

- Portable, Compact & Lightweight
- Built in Safety Shutdown Feature
- No Radiation, Ozone, or Chemicals Used – Just Pure UV-C Light
- One Touch Operation

## **WHAT'S IN THE BOX?**

- 1 – ionUV ToolBag
- 1 – Micro USB Charging Cable
- 1 – User Manual

## **HOW DOES IT WORK?**

- Unzip the lid of ionUV ToolBag.
- Place the tools to be sterilized inside the bag. Be sure to keep them apart without any overlap.
- Zip up the lid on the ToolBag – be sure that it is completely sealed all the way around.
- Press the button on the lid of the ToolBag to begin sterilizing. The white, LED indicator will flicker throughout the 10 minute sterilization process.
- When the LED indicator stops flickering the process is complete and it is now safe to remove your items from the ToolBag.

## **HOW TO CHARGE THE ionUV TOOLBAG**

Plug the ionUV ToolBag into a suitable USB port. When the LED indicator glows a steady red the bag is charging. When the red light switches off, the ToolBag is fully charged. It should take approximately 45 minutes for the ToolBag to fully charge.

## **SAFETY FIRST**

- Avoid direct eye or skin exposure to the UV light inside the bag.
- As a built-in safety precaution, the UV-C LED light inside the ToolBag will shut down immediately when the bag is opened.

## INDICATOR LIGHT

Working status	Indicator
Sterilizing complete/standby	Solid
Sterilizing	Flickering
Sleep Mode	Off

## SPECS

Power	DC 5V/1.5A
Battery	1200mAh
Charging time	45 mins.
UV wavelength	270-280nm
Internal size	13.66" x 6.18" x 11.1" (34.7 x 15.7 x 28.2cm)
External size	13.98" x 6.5" x 11.42" (35.5 x 16.5 x 29cm)
Weight	3.3 lbs. (1.5kg)
Material	100% Terylene synthetic polyester fiber
