## DQR3

### 3" LED Square Retrofit Downlight

Part of the D-Series, the DQR3 is everything you love about NICOR's recessed downlighting family with the added design aesthetic of a square trim. Compatible with most 3" recessed housings, this luminaire delivers incredible color accuracy with 90+ CRI and flexible dimming capabilities. Designed to boost energy efficiency, the LED light engine draws only 8 watts while achieving a light output of up to 500 lumens. The DQR3 is an ideal commercial, retail, institutional or residential downlight choice for retrofit or new construction. From LED color rendering and trim finishes to fixture performance, the design style blends nicely with other fixtures in this series.
