DOORS

CHOOSE YOUR GLASS.
CHOOSE YOUR DOOR STYLE.
IT'S THAT EASY.

Choosing a door that's the right fit for your home, your style and your wallet should be easy. Now, thanks to Feather River Doors' Smooth Fiberglass Doors, it is. This program offers elegant, budget-friendly exterior doors that are easy to love and easy to install, and our smooth fiberglass doors are ready to paint to match any home's décor.

READY-TO-INSTALL

Your Feather River Door is ready to install right out of the box. Designed to fit a standard opening, your door comes pre-assembled in a weather-tight frame for quick and easy installation. And to save you even more time and money, the frame is pre-primed and the door is prepped for easy handle and lockset installation.

SPECIAL ORDERS

Can't find what you're looking for in-stock? No problem! The doors shown in this catalog have pre-selected upgrades that give you a custom door look without a custom door price and timeline.

FEATHER RIVER DOORS

Feather River Doors is an industry leader in high-quality, energy-efficient entry, patio and interior doors that offer superior durability and enduring beauty. Feather River Doors is your assurance that your new door has passed a rigorous quality inspection for both appearance and performance.

Featuring beautiful art glass designs, these exterior doors can increase your home's curb appeal—and its value—without breaking your pocketbook.

REST ASSURED

At Feather River Doors, we stand behind each and every door we make. All of these exterior doors come with a limited lifetime warranty. For full details, visit us online at featherriverdoors.com.

What Goes Into a Feather River Door

You can count on our Smooth Fiberglass Doors to increase your home's curb appeal with a beautifully detailed high definition embossed panel and a stylish decorative glass. But, that is not all. Carefully designed for superior performance and durability, you can also enjoy the benefits of fiberglass doors such as low maintenance and energy efficiency.

ENERGY STAR®

All Feather River Fiberglass Doors are energy efficient and designed to stand up to all seasons so your home stays warm during the winter months and cool during the summer. Imagine the savings from a fiberglass door which is up to five times more energy efficient than a traditional wood door.

Feather River proudly offers ENERGY STAR certified door models in all 50 states.

ES EASY SELECTIONS PAINT OPTIONS

Our Easy Selections Paint Options offer you 4 colors for adding dramatic curb appeal without the mess and hassle of having to paint yourself. All you have to do is choose the color you want.

PRE-PAINT FEATURES & BENEFITS AND INFORMATION

DURABLE FINISH

We spray on 2 coats of a semi-gloss top coat paint and oven cure between each coat for a durable baked on finish.

ENVIRONMENTALLY FRIENDLY

Our process utilizes a Low VOC paint along with the latest "green technology" spray equipment to help reduce solvent emissions that help promote better air quality and a greener environment.

FINISH WARRANTY

Our pre-painted doors come with an industry leading 2-Year Finish Warranty. All of our doors are supplied with a touch up bottle.

PRE-COLORED PVC JAMB SYSTEM (Available in 4-9/16" and 6-9/16" widths) (Upgrade Option)

PVC pre-colored jamb system complements our Easy Selections painted door's overall door finish, enhancing it's beautiful aesthetics. The jamb system is made of PVC which prevents rot and does not peel, fade or warp. It is easy to maintain as it doesn't require re-finishing or UV protection over time. The PVC pre-colored jamb system is a great component to the Feather River door system in achieving its maximum performance.

Note: Printer and monitor limitations prevent exact color duplication. Colors shown in the brochure are an approximate representation of the actual color; Actual finished color may vary in tone/shade (darker or lighter) from what is shown in brochure.

Feather River Doors has always been committed to providing the "greenest" program and product since our introduction.

Manufacturing - We use 100% CFC free foam and environmentally friendly blowing agents to prevent depletion of the ozone layer. Most of our door slabs are made as molded open panel which reduces the cutout waste that ends up in landfills.

Recycling - All of our facilities keep to strict recycling standards. Everyone from our manufacturing floor to office personnel practice and encourage recycling.

Merchandising - Today, Feather River Door's literature are printed on FSC certified materials with recycled content. We are committed to incorporating recycled materials into our packaging as well.
