

LED MINI PENDANTS & SCONCES

Imagine the possibilities...

LED mini pendants (MDP) and mini sconces (MWS) from Lithonia Lighting® offer a wide selection of interchangeable decorative shades and fitters ideal for matching or complementing your lighting design and decor.

Advanced LED technology allows the smaller overall design making the mini pendants and sconces an attractive, energy-saving solution for accent or task lighting in residential or commercial applications. Our unique collimating lens distributes high CRI (whiter, brighter) LED illumination uniformly throughout the shade for optimal aesthetics.

Bullet and cylinder-style fitters are available in bronze or brushed nickel finish to complete the package. The pendant suspension cable is ultra-thin, field-adjustable and the same color as the fitter.

FEATURES:

- Versatile fitters with 3000K high-performance LEDs
- Decorative shades with standard 2-1/4" neck
- 9.5 watts, 120V
- 274 lumen output
- 86 CRI color accuracy
- 50,000-hour L70 rated
- Dimmable down to 10% with standard triac dimmer or ELV dimmer

Value and versatility defined.

It's as easy as 1-2-3.

1. Select the style of fitter that best fits your application. Bullet or cylinder, pendant or sconce, bronze or brushed nickel.
2. Select the shade that best suits your lighting design.
3. Install and enjoy!
