## Limited Warranty

Pelham & White products are manufactured with superior quality standards and workmanship and are backed by our limited 15 year warranty. Our warranty is limited to residential applications. We will repair or replace free of charge any product or parts that prove defective. Our warranties are extended exclusively to the original purchaser or owner covering defects in material and workmanship. Damage caused by wear and tear, accident, misuse, or abuse is not covered by this warranty, as is damage done by disregarding the care recommendations provided in the installation instructions, or improper installation. This warranty may not cover products not installed by a qualified professional installer. Our warranty covers the replacement of the defective product only and does not cover installation or other consequential costs or damages. Proof of purchase (original sales receipt) from the original consumer purchaser must be made available for all Pelham & White warranty claims. Authorized Pelham & White representatives are not agents of Pelham & White, and no agent, dealer, representative, salesperson, or other person is authorized to change, modify, expand, or extend the limited warranties contained herein, or to bind Pelham & White or any of its authorized representatives to be held for injury or damage to any person or property for any claim, regardless of how claims arise. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Some states do not allow the exclusions of limitations of incidental or consequential damages, so the above limitations or exclusions may not apply to you. For warranty claims or questions, contact Pelham & White at 855-561-5222. All measurements are approximations and should be used for reference only. Pelham & White reserves the right to make specification changes without notice or obligation, and to change or discontinue models and finishes.
