

HOPPER STUDIO

CARE AND MAINTENANCE OF YOUR QUALITY FURNITURE

QUALITY FURNITURE NEEDS PROPER CARE AND MAINTENANCE TO LAST A LONG TIME. OUR FINISHES ARE ACHIEVED UTILIZING MULTIPLE COATS OF LACQUER GIVING OUR PIECES THREE-DIMENSIONAL DEPTH AND LONG LASTING DURABILITY. THE SHEEN RANGES FROM MATTE TO SEMI GLOSS DEPENDING ON THE COLLECTION. OUR *DESIGNER-GRADE FINISHES* ADD BEAUTY AND PROTECTION TO THE WOOD. WITH PROPER CARE, YOUR FURNITURE WILL LAST LONGER, PROVIDING YEARS OF ENJOYMENT.

WE RECOMMEND THE FOLLOWING PROCEDURES TO PROTECT AND CARE FOR YOUR FURNITURE:

- AVOID PLACING YOUR FURNITURE IN DIRECT SUNLIGHT.
- ADDRESS SPILLS IMMEDIATELY USING A SOFT DAMP CLOTH.
- UTILIZE COASTERS FOR BEVERAGES. EVEN PROLONGED EXPOSURE TO CONDENSATION CAN EFFECT DESIGNER-QUALITY-FINISHES.
- AVOID ALCOHOL-BASED SOLVENT SOLVENTS TO COME IN CONTACT WITH SURFACES.
- DUST REGULARLY WITH A SOFT AND LINT FREE CLOTH.
- POLISH YOUR FURNITURE ONCE EVERY SIX MONTHS.
- USE *ONLY* A POLISHING SPRAY OR CREAM THAT CONTAINS MILD DETERGENT, EMULSIFIER AND MINERAL OIL. ALWAYS APPLY AND POLISH IN THE *DIRECTION OF THE GRAIN*.
- WE DO NOT RECOMMEND USING A POLISHING SPRAY OR CREAM THAT CONTAINS WAX OR SILICON.

SHOULD YOU HAVE ANY ADDITIONAL QUESTIONS ABOUT YOUR FURNITURE,
