

1.How many pieces come in 1 box?:

A box comes in 10 sheets.

2.Is it waterproof?

Yes, can be used in bathroom / sink back

3.How to remove ?

It is easy to remove with little to no damage, depending on the surface they were installed on. To make it easy, use a heat gun or a blow dryer to warm up each tile sheet to soften the adhesive.

Use a cleaning product to wash the wall and remove any excess glue left by the Tiles.
