Perfect Size Cages

Comes with 5 sets of 3-tier, size of the each set is 11.8" L x 11.8" W x 16.1"H/ 30 x 30 x 117 cm, including 10"/ 26 cm legs. Max. 59.1"/ 150 cm high plant can also stably stand in the soil.

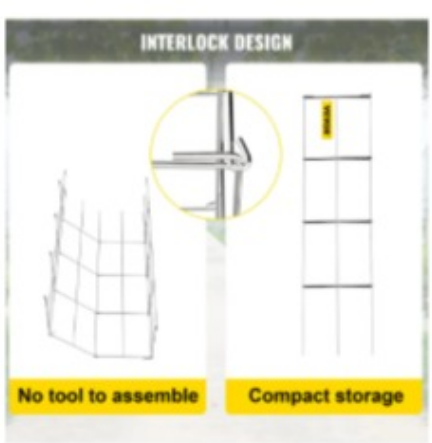

Climbing Plant Support

Unlike those vertical growing plants without the support of tomato cages, plants are easier to harvest with the help of our tomato cages. Perfect for fruit, vegetable, and other climbing plants.

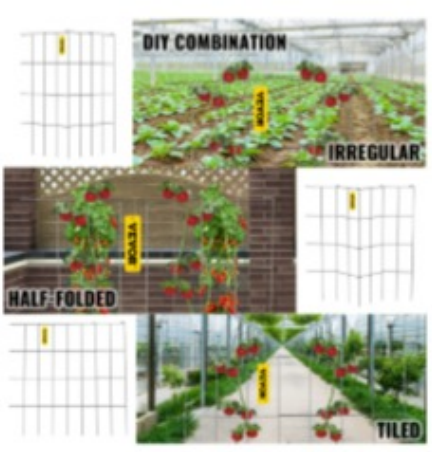

Steel with PVC Coating

A durable steel core stake with the PVC-coated surface can effectively keep the tomato cages for the garden away from scratch, deformation, and rust for long-term usage.

Interlock Design

Our tomato trellis can fold flat into a compact size to put at any corner after the growing season. Quickly install and dismantle without tools, making it easier to pick off mature fruits.

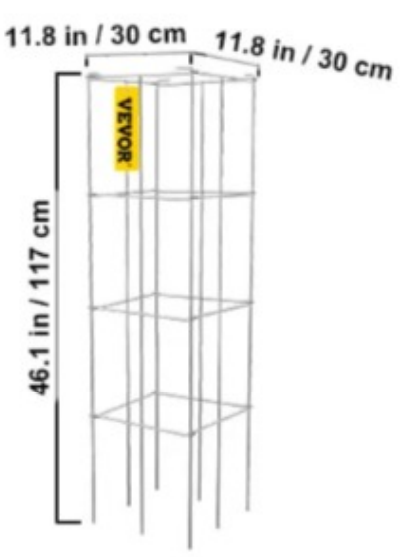

Flexible Combination

Folding tomato cages can be assembled into different shapes to meet your different needs. Please note the depth of in-ground legs when installing the cages into irregular, half-folded, and flat shapes.

Extensive Application

You can install our plant support for the garden at any place you need. Particularly suitable for the application of most indoor and outdoor gardens.
