

Item Use and Care

Cleaning:

This item can be wiped clean with dry cloth. Mild wipes can be used, on the condition that the product is wiped dry immediately. Alcohol wipes are not recommended. Please do not soak this product wet or leave the product wet for extended time.

If surface polish is desired, please choose the polish type that is compatible to the product material. Please also test the polish on a small area first. Make sure you follow the instructions on the product you choose for best results.
