ecobee

SmartSensor for doors and windows 2-pack

Adhesive Back
The adhesive back sticks firmly to the surface.

Sleek and minimal look
Expands ecobee home monitoring without drawing attention to itself.

PIR Sensor
For occupancy and temperature detection.

Built to last
Comes with an industry-leading 3-year warranty and 3-year battery life.

Place on important entryways
Can be used for doors, windows, or cupboards–whatever you want to keep secure.

Magnetic reed switch

Powerful enhancement for peace of mind.

Instant notifications that keep you informed
Know when something's happening at home with real-time notifications whenever a door or window is opened or closed.

Extended coverage for strong security
SmartSensor for doors and windows can detect motion from up to a 120° arc 16 feet range, instantly notifying you when doors or windows are opened, or when unexpected motion is detected in your home.**

Protects more than just doors and windows
Place anywhere your valuables are kept including drawers, safes, and medicines cabinets, and receive instant alerts if they are opened.

Easy DIY installation in seconds
Simply attach each SmartSensor to any door, window, entryway, or other places that contain valuable items such as drawers, safes, and medicine cabinets.

Enhance your energy savings
Detects if a door or window is open for more than 5 minutes and automatically pauses the HVAC system. Once either is closed for more than 30 seconds, the HVAC system resumes.*

*Works with ecobee smart thermostats.
**Requires ecobee Smart Security subscription.

ecobee

SmartSensor for doors and windows 2-pack

Range & connectivity
Place sensors up to 60 ft from ecobee thermostat or camera
915MHz
