# HANG YOUR CURTAINS

## THE GOOD

- A** Curtain Rod Hung  $\frac{2}{3}$  the distance between ceiling and window
- B** Curtain Rod Extended 10-12" the width of the window on either side
- C** Curtains should just kiss the floor

## THE BAD

- A1** Curtain Rod Hung Directly Above Window
- B1** Curtain Rod Hung at the Same Width as the Window
- C1** Curtains too Short
