## 3 STEP

### STEEL WITH PROJECT TRAY

GORILLA  LADDERS®

EXCLUSIVELY AT 

### ▶ SEE AND FEEL THE DIFFERENCE

The all-new 3-Step Steel Project Step Stool is extremely tough, durable and easy to use. The innovative design allows the stool to be opened and closed easily with one hand, and the project tray is perfect for tools and hardware. The slim-fold design allows the stool to fold up to only 2.5 inches thick and will become the go-to for the quick, everyday uses in your kitchen, pantry, or garage.

### ▶ STRENGTH

Steel construction is durable to provide heavy duty quality while light enough to be carried with one hand.

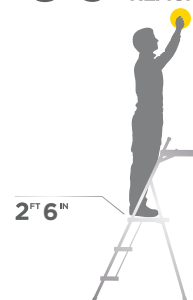

### ▶ SAFETY

Non-slip surfaces and soft touch, non-marring feet provide the highest level of security. Safety latch keeps platform in place.
