

****Makeup Vanity Table - Use and Care Manual****

**Introduction**

Congratulations on your purchase of a high-quality makeup vanity table! This product is designed to offer you convenience, functionality, and elegance. Please follow this manual for proper use and care to ensure long-lasting beauty and performance.

**Assembly Instructions**

Before using your vanity table, please ensure that all parts are properly assembled:

1. ****Unbox the product carefully**** and lay out all components on a soft surface to avoid scratches.
2. ****Follow the assembly instructions**** provided in the package or refer to the included step-by-step guide.
3. Use a screwdriver or an electric drill to secure the pieces, ensuring they are tightly fastened.

***Tip:** Assemble the table on a soft cloth to avoid damage to the surface.*

**Product Use**

1. ****Storage Space****: The vanity table is designed to store your cosmetics, accessories, and other personal items. Use the drawers and compartments to keep your items organized and easily accessible.
2. ****Mirror Usage****: The mirror is ideal for makeup application, grooming, and styling. Ensure that it is adjusted to a comfortable angle before use.
3. ****Lighting (if applicable)****: Some vanity tables are equipped with built-in lighting. Turn on the lights using the switch located on the base or side of the table for bright, clear visibility when applying makeup.

**Care and Maintenance**

To maintain the appearance and functionality of your makeup vanity table, please follow these

simple care instructions:

1. **Cleaning**:

- **Wood/Metal Surfaces**: Wipe the surface regularly with a soft, damp cloth. For stubborn stains, use a mild cleaning solution or wood/metal cleaner.

- **Glass or Mirror**: Use a glass cleaner or a mixture of water and vinegar to clean the mirror. Spray the cleaner onto a microfiber cloth, not directly onto the glass, to prevent streaks.

2. **Avoid Harsh Chemicals**: Do not use abrasive cleaners or harsh chemicals on the surface as they may damage the finish or the materials.

3. **Prevent Scratches**: Avoid placing sharp or heavy objects directly on the surface to prevent scratches or dents. Use a soft cloth or mat under cosmetics and accessories to protect the table.

4. **Regular Checks**: Periodically check the stability of the drawers and other movable parts. Tighten screws if necessary to maintain stability.

5. **Lighting Maintenance**: If your vanity table has built-in lighting, ensure that the light bulbs are in good condition. Replace them if they become dim or stop working.

Safety Tips

1. Always ensure that your vanity table is placed on a flat, stable surface to avoid tipping or wobbling.

2. Keep the table away from direct sunlight, heat sources, or areas with high humidity to prevent damage to the materials.

3. Avoid excessive weight in drawers to prevent them from becoming misaligned or damaged.

4. When moving the vanity table, ensure it is lifted correctly and not dragged to avoid scratching the floor or damaging the legs.

Warranty Information

This makeup vanity table is backed by a warranty for any manufacturing defects. Please refer to the warranty card or contact customer service for more details. Make sure to keep your proof of purchase in case you need to claim warranty services.

Conclusion

By following these simple care guidelines, your makeup vanity table will continue to serve you for years to come. Enjoy your new space for beauty and organization! If you have any questions or require further assistance, feel free to contact our customer service team.
