

Use and Care Manual

Product Overview

This windshield snow cover is designed to protect vehicle windshields from snow, ice, frost, dust, and debris. It is suitable for winter and year-round use on cars, trucks, vans, and SUVs.

Intended Use

- Prevent snow, ice, and frost buildup on the windshield.
- Reduce sun exposure and interior heat during warmer seasons.
- Protect windshield glass and wiper blades from weather damage.

Use Instructions

- 1 Lay the cover flat over the windshield with the protective side facing the glass.
- 2 Secure side flaps inside the vehicle doors for stability and anti-theft protection.
- 3 Adjust straps to ensure a snug and wind-resistant fit.
- 4 Remove the cover carefully before driving.

Care Instructions

- Shake off snow, ice, or debris before removal.
- Machine wash on gentle cycle with cold water if needed.
- Air dry completely before reuse or storage.

Safety & Usage Notes

- Ensure the cover is fully removed before operating the vehicle.
- Do not use on damaged or cracked windshields.
- Not intended to secure loose cargo or replace vehicle covers.

Storage

- Fold the cover neatly after use.

- Store in the included storage pouch or a dry location.

Warranty

This product is covered by a 30-day limited warranty from the date of purchase. The warranty covers manufacturing defects under normal use conditions only. Damage caused by misuse, improper installation, modification, or normal wear and tear is not covered.
