PENTAIR

CONNECTED SALT LEVEL SENSOR

WIFI ENABLED SALT MONITOR

APPLICATION

◆ Salt-Based Water Softeners

FEATURES • BENEFITS

◆ **Universal Tank Clip**
Fits side-by-side and cabinet-style brine tanks

◆ **Easy Setup**
Simple in-app instructions and guide light for tank and salt level measurements

◆ **Pentair® Home App**
Check salt levels anytime, anywhere from a smart device

◆ **Receive Alerts**
Email and push notifications indicate when salt or battery levels are running low

Part No. 4005702

INSTALLATION TIPS

◆ Device not intended to be submerged in water.

◆ **Important:** Use alkaline batteries only. Lithium ion battery use will damage unit.

◆ Place Pentair Connected Salt Level Sensor at least two (2) inches away from any obstructions and make sure the clip is secured to the brine tank.
(See Mounting Options on Page 2.)

PACKAGE INCLUDES

◆ Sensor

◆ 3 AA Batteries

◆ Quick Start Guide
