# Waterproof Carpet Cushion

## Waterproof

Lifeproof™ cushion repels water with advanced technology

Impermeability means surface-to-surface protection

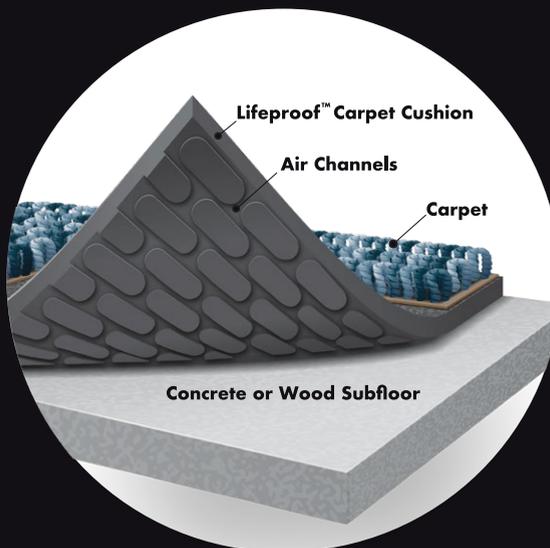

Lifeproof™ cushion doesn't act like a sponge and won't hold onto moisture, which can stain carpets over time

## Air Channels

Keeps subfloors dry

Keeps carpets fresh

Extends the life of the carpet

## Eco-Friendly

Family and pet friendly

Infused with Ultra-Fresh to inhibit the growth of odor-causing bacteria, mold and mildew

Made from non-toxic polyethylene

## Comfort

Ultra-shock-absorbing cushion is easy on feet and joints

Provides thermal insulation

For use with any carpet

## Waterproof Carpet Cushion

5/16"

### LIFEPROOF™ GREY CUSHION

5/16" thickness recommended for use with low to medium pile carpet (Berber, loop, pattern) and stair applications

7/16"

### LIFEPROOF™ BLACK CUSHION

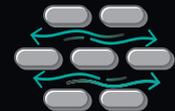

7/16" thickness recommended for use with medium to high pile carpet (plush, texture, twist)

Waterproof Carpet Cushion

Provides **superior**  
impact and  
airborne sound  
absorption when  
compared to  
traditional  
carpet cushions

**IIC 93**

*Impact Insulation Class*  
represents the reduction of  
impact sound

**STC 60**

*Standard Transmission Class*  
represents the reduction of  
airborne sound

**$\Delta$ IIC 48**

*Delta Impact Insulation Class*  
measures the difference between the  
impact of sound on a concrete  
subfloor compared to a concrete  
subfloor with carpet cushion installed
